Benevento	56,00	41,00	36,00	30,00	-	-

Table 6 – Occupancy Allowance

The occupancy allowance, in cases of late release or unauthorized use of the accommodation, is equal to the monthly payment due for the occupied accommodation plus a 60% penalty. For periods of less than a month, the allowance will be calculated based on the days of actual occupancy, without prejudice to the application of the same percentage penalty. Payment of the occupancy allowance does not establish any contractual relationship between the Company and the occupant.
